EXPERIENCE

Full-Stack Web Developer Intern

The Special Character

Dec 2023 – Jan 2024

Ahmedabad, Gujarat

- Developed an e-commerce platform using Next.js and Tailwind CSS, focusing on responsive design.
- Led a six-person team to win first place in a web development competition.
- Enhanced web development skills and improved communication abilities.

UI Designer

SSIP Hackathon

2023

Ahmedabad, Gujarat

- Designed an exceptional UI for the hackathon project *GiftConnect* using Figma.
- Crafted user-friendly web and mobile app designs to ensure an intuitive experience.
- Focused on aesthetic appeal and functionality to enhance project impact during the competition.

PROJECTS

Pokedex Web App | *HTML, CSS, JavaScript, PokeAPI*

Dec 2024

- Developed a responsive web app to explore the first 151 Pokémon using the PokeAPI.
- Implemented search functionality, filters, and interactive details for abilities, stats, and types.

To-Do App | *React, CSS*

Dec 2024

- Built a responsive task management app to practice CRUD operations in React.
- Features include adding, editing, deleting tasks, and persisting data using local storage.

MovieFlix | *React, CSS, OMDb API*

April 2024

- Created a responsive application for searching and viewing movie details using the OMDb API.
- Features include movie posters, titles, release years, and types, optimized for all devices.

Bhittichitram - Wallpaper Website | *Next.js, Tailwind CSS, Cloudinary API*

Feb 2024

- Developed a platform to browse and download wallpapers for free.
- Utilized Cloudinary for efficient cloud storage of wallpapers.
- Focused on delivering high-quality visuals and an intuitive user experience.
